面试英文自我介绍 篇二

Good morning, ladies and gentlemen,

Im ChengXiaXia. Its my great honor to have a self-introduction here. Im a postgraduate from HuNan Agricultural University.

First of all, Id like to talk about my experience. Being an excellent English teacher is my dream. I used to work in the lion king education group as an English teacher. I was glad that I benefited a lot from it. The most important thing is that I learned a new way about how to be a good teacher: just think in the way of students, if I were the students, can I make a better understanding of what I say? After I left this company, I kept on teaching middle school students in another training school. ( Under the pressure of examination, they do suffer a lot in their own school. But in my teaching ideology, only help students set their goals and know what they want to be, can they be willing to work hard and overcome difficulties, which will improve their study. Then the confidence is built naturally. They become more willing to study. That is a virtuous circle. )

The second one I want to share is my hobby. Wow, I got lots of hobbies. I like sports a lot. 400-meter run is my speciality in college, as my legs are long enough to run. In my spare time, Im a fan of billiards, too. Its interesting and gentle. I have a lot of fun with my lovely friends. Besides, I keep on studying everyday, as Steve Jobs once said: Stay foolish, stay hungry. Ive always wished that for myself.

Last, I want to say, only you really love something then you will put yourself completely into it and try your best to achieve. I believe I am suitable for this job. I love it, so I can do it well. Mast Education is such an excellent and respectable company and I dream of working here. Thats why I come here to apply for this job. Thank you very much!

一过去，一为副校长便在众人面前大大地谈了一番马斯特的'薪资待遇，我顿时想，是不是进了什么黑点啊，一来就讲money.讲完，直接让我么去笔试，还好笔试有惊无险，顺利通过，他这里居然还请我们吃中餐，煞是意外，当然，盒饭。下午就是英文自我介绍和试讲。我晕，面试的就是两位小姑娘，也没怎么听，就是让人讲题目，挑了两道高考英语试题来让你讲。我可是无比的郁闷啊，虽然深知马斯特乃是应试教育为主，但仍让我在讲解的过程中模模糊糊，不甚清楚。后来自告奋勇要求讲初中英语，亦是效果了了。想来这次面试估计石沉大海咯。
