英语自我介绍 篇二

My name is Wang Weiyi. I am 10 years old. I am studying in class five (2) of Taohuawu primary school in Zhenjiang. In the class, I served as the monitor, and I also served as a representative of the English class.

My popularity is very good, the class of male and female students are willing to get along with me, because in my opinion, every student regardless of good grades, side has a flash, all have their own advantages and disadvantages, so I dont favour one more than another. Our home downstairs, is often heard Wang Weiyi downstairs to play call, it is small, our friends in each district, make our area of grandparents, uncles and aunts also know me, they just put my name wrong, they think I called Wang Weiyi. Hee, I dare not. .

My biggest feature is perseverance, as long as it is what I have identified, I must not be afraid to stick to it. In summer vacation, I want to learn how to swim. I follow the coachs guidance posture and swim in a single way. Partners are playing, playing and playing. I practiced back and forth by myself, and finally learned swimming in a short time. In the Olympiad class, I often encounter difficult problems. If I think I have the ability to solve it, I will never ask the teacher first, but I have to do it.

I have had a lot of honor in my four years of schoolwork.

In the 20xx year of the Zeng Hua Pavilion composition contest won the 2 prize;

Every semester in four years I have been rated as school three good students

Every semesters school level mathematics thinking ability test won the first prize.

Every cold and summer reading can be awarded a prize and a certificate of honor.

I am learning the strict demands on themselves, others I have not resigned to playing second fiddle ballad guitar, the si\_\_ grade school certificate; I am a basketball team striker, football is my common running posture, skipping, hula hoop everything is strong competition in the university.。 。。

### 英语自我介绍 篇三

I was born in a small village of Shan Dong Province on April 4th, 1968. When I was young, my family was very poor, so I had to work to earn money to help my parents after class when I was in the middle school.

In 1986 I was admitted by University of International Business and Economics (or: UIBE) to pursue a bachelor degree in Economics. My major is accounting in Department of International Business Management. The undergraduate education gave me a wide range of vision and taught me how to cooperate with others. I developed several professional interests in Accounting, Finance, and International Trade.

The following eight-year working experience offered me a good chance to give full play to my creativity, intelligence and diligence. In 1990-1993, I worked as an assistant to funding manager in China National Technical Import and Export Corporation. In 1993-present, I was employed by China Kingdom Import and Export Corporation to be the Manger of Financial and Accounting Division.

I do believe that with my hard early life, solid educational background and ample working experience, I would be an excellent student of you MBA program.

### MY PERSONAL ACCOMPLISHMENT:

After graduating from UIBE, I was employed as the assistant to the funding manager by China National www. Technical Import and Export Corporation. After reading a lot of related files, and analyzing the overall funding situation of the corporation, I found that the loan policy was not been put into effect. So we have thousands of millions RMB loan with very high interest rate while a large amount of cash in bank with very low interest rate was idle. I reported this to my supervisor, and then we studied and revised the loan policy. This revision saved the corporation approximately RMB thirty millions yuan. In order to raise the funding effectiveness, after one year ' s hard work, I developed the internal banking system within the corporation based on the actual funding supply and need of the different divisions and projects. This internal banking system made full use of the corporation ' funding resources, and due to this, I was highly praised by the president of the corporation.
