微博的英语作文 篇1

Micro-blogging is no longer a strange word. More precisely, it has become part of our life.

As for me, many factors contribute to the widespread of Micro-blogging. First, it is very convenient for people to express their instant feelings at any time. Second, it provides a chance for people to release their

inner stress. By revealing their heartfelt emotions on the Micro-blogging, their friends may also know about their conditions and can offer in-time comfort.

However, Micro-blogging can also be potentially dangerous as it may give away peoples privacy and other significant information.

All in all, Micro-blogging provides us comfort and also inevitably some concerns. We should be careful while using it.

微博的英语作文 篇2

As is known to us all, Micro-blog is a new tool in the era of mass media, and the status of micro-blog in peoples life is more and more cant be replaced today. Many people tend to take advantage of micro-blog to describe their everyday experience, and through the network to share with their friends. Moreover, through the micro-blog we can quickly understand the various news. Indeed, to some extent, such as efficient as a fashion.

However, micro-blog will inevitably have a negative impact on some aspects. Micro-blog on freedom of speech, some of the information was distorted and misleading. What is more, some people in micro-blog release some fraudulent information, and this brings certain threat on peoples property safety. In addition, some unhealthy information on Micro-blog, to some extent, affects the healthy development of young people.

As far as I am concerned, We cant deny that micro-blog plays an important role in our lives. Generally speaking, micro-blog has more advantages than disadvantages. On the one hand, micro-blog has enriched our life and made our lives more grade. On the other hand, indulged in micro-blog will do harm to our study and life. Therefore, we should use micro-blog reasonably, and let the micro-blog serve us better.

微博的英语作文 篇3

The modern life is becoming more and more colorful. The Internet is an important part of our life. It makes our life more interesting. Do you know about the most popular Internet tool? It named micro blog. It means a small blog. The differences betwenn them are the micro blog is simpler and more convenient than a common blog. The first micro blog website is Twitter. And its also the most famous in the world. Now many famous persons in different professions have micro blogs such as Han Han, Liu Xiang, Lady Gady, Bill Gates and so on.

Chinese micro blog has about five years of history. Though its very short, the micro blogs in China are popular with young people, especially we students. (fwsir) We students believe that micro blog is very useful, we can do many things by using it. For example, we can get news and information quickly. And we can write our feelings, our sense of life and some small things everyday on it, just like keeping a simple diary in 140 worlds or fewer. We can enjoy or upload photos, videos and music easily. Whats more, we can find or create a hot topic, and then talk about the topic with others online. How interesting!

Lots of my classmates and teachers have micro blogs. I also like using micro blog very much. I often upload

my pictures and get some advice from others who can draw well. And its also a great way to learn English by using micro blogs. We can try to write three beautiful English sentences and then ask someone to modife them and teach us online.

All in all,there are many advantages of using micro blogs, this can only give a brief introduction. But remember not to spend too much time on the Internet. Lets surf the web healthily and grow up happily!

微博的英语作文 篇4

Nowadays,micro blog has become a prevalent shared platform used by youth and old who canuse mobile phone flexible. Why does it become so popular?

目前，微博已经成为一个青年人和老年人用手机灵活使用的普遍的共享平台。它为什么会这么受欢迎呢？

Firstof all, it is convenient. Whenever and wherever you are, with your phone orother appliance which is online available, you can share a sentence or asection to your fans. They can read and comment it immediately. In my opinion,it ' s the most important function that is different from the traditional blog. Microblog is more easy to use. Secondly, it will remind you more and more peoplewhom you may be familiar with, so that you fans circle can be larger andlarger. What ' s more, with more and more famous person join in micro blog, youcan catch much news in this platform, including political, economic, culturaland stars ' news. There are also some jokes that you can read them to relax inyour spare time.

首先，微博是很方便的。无论你身在何时何地，只要有能上网的手机或其他设备，你就可以和你的粉丝分享一句话或着一段话。他们可以立即阅读和评论。在我看来，这是不同于传统的博客的最重要功能。微博也更容易使用。其次，它会为你提醒越来越多你可能熟悉的人，这样你的粉丝圈就会越大。更重要的是，随着越来越多的'名人开通微博，在这个平台上你可以获得很多消息，包括***治，经济，文化和明星的消息。也有一些笑话供你在空闲的时候阅读来达到放松的目的。

Ina word, micro blog is a platform that helps people get in touch with othersmore conveniently and frequently. In such a busy era, it ' s no doubt to be agood choice for people to know what happen around us.

总之，微博是一个帮助人们更方便、更频繁和他人接触的平台。在这样忙碌的时代，微博毫无疑问对于人们来了解发生在身边的事情是一个很好的选择。

微博的英语作文 篇5

Each leaf has two sides, now microblog is so heat that most people spend their time playing it, and someone to play Sina, someone to play Tencent , and I play both of them. I can be considered one of the earliest users microblog in China , and I have my own views on the pros and cons for the microblog . First of all,Let me talk about the benefits of microblog: 1. Expand the social range: through micro-Bo we can know more friends with similar interests; talk to famous people closely. 2. Informative: there are variety of people play microblog ,we can learn to understand a variety of information and knowledge by their word. 3. To learn English: Yes, learning English, by focusing on a number of English-related blog I really learned a lot of

interesting common English, we recommend you pay attention to the microblog English fashion: Here I will talk about some of the disadvantages of excessive microblog: 1. Waste of time: If we indulge in it, surely it will be a waste of time, and a waste of time is slow suicide, so take the value of life, don't pay too much time on microblogging. 2. Of independent thinking: contents of microblog are some fragments of the scripts, knowledge. The content is lack of systematic and in-depth discussion, and it will make man not love thinking. In summary, microblog has pros and cons, we can focus some of that we are interested in, but not to indulge them.
