题型专项突破—Unit3 完形填空（旅行篇）

一、完形填空 阅读下面短文,从短文后所给各题的四个选项(A、B、C和D)中,选出可以填入空白处的最佳选项,并写在答题卡上。

1。

When I was a college student , I did a lot of traveling abroad. That was becau a professor (1) me to do so. She said , “ Now is the time for you to travel around the world , (2) your knowledge through actual experiences and

have fun ! ” I (3) her.

Since I started to work for a (4) company , however, I have done most of my traveling through the Internet. By using the Internet, I have en the (5) of many cities on my computer screen. And I have really made business (6) , too. With the help of the Internet , I have also got (7) about food in different countries.

Therefore, I was beginning to feel that actual trips were (8) necessary when I happene

d to read a famous chefs (厨师)comment on the Internet. He said , “ It is very difficult to have real Italian food in a foreign country, becau we enjoy food and the (9) around us at the same time. So why don ’ t you fly over to Italy and enjoy real Italian (10) ? ’ , Tho words reminded me of my (11) advice. As information technology (12) , you might be able to do without making some real trips. But this also means that you will miss the various (13) you can get from traveling.

Today there are people who (14) direct communication with others and spend much of their time on the Internet.

It is not surprising to e a group of people (15) not with each other but into their micro phones. It ems as if j such people are (16) by an invisible wall. They em to be losing out on a good chance to (17) and talk with other people. I do not think that they are taking good advantage of information technology. We should u information i technology as a tool to make our daily (18) more fruitful. However, we should never let it (19) our time for face—to-face communication. Let ’ s make u of in

formation technology more (20) , and have great fun in experiencing the actual world

- (1) A. promised B. allowed C. hurried D. encouraged

2。

A lot of travelers who are going to new cities are often told to begin their trips by a bus tour. This thinking is that they can then go to the places that (1) them. But that is wrong. What you e from the (2) of a moving bus is (3) and removed from the real sights , sounds, and (4) outside。 So the best (5) to experience any place is on foot and with absolutely no travel plan. (6) go wherever your feet and your interests (7) you.

You will not only get to the (8) sites that are on the bus tour—the muums , the monuments, city hall—but you (will have en much more。 You will have (9) the prent life of the city.

But there is a problem: What if I got lost? No one ever gets (10) lost in a major city. At first you can find your way back to a (n) (11) place。 If it (12) you to be “ lost ” , just find a taxi and go back to where you started , however , the (13) things can happen if you get lost. You can (14) at a sidewalk cafe to sit and have a rest。 You can ask the local people near you. And (15) they don't speak your language , your trip becom

es more memorable becau of the (16) . Here are a few more ways to get the most out of your travel。

First , know before you go。 (17) a few hours before your trip learning about the history and culture of your destination。

Second , move around like a local。 U the subways and bus of the city you are (18) 。 You will not only save money, but also learn how people really live.

Third , check the bulletin boards。 Sometimes you can find advertiments for free concert , and (19) fun activities on bulletin boards around universities。

So the next time you e a travel poster wishing you to have a bus tour, just save your money。 Instead, wander (20) 。 I promi you a time you will remember with great pleasure.
