Yes, yes, yes, it ' s a new day, it ' s a different day, and it ' s a bright day! You must do your part, you must faithfully follow the plans you make and take the actions you plan, you must never quit, you must never fear. 初一英语励志演讲稿3

Someone said “ we are reading the first ver of the first chapter of a book, who pages are infinite ” . I don ’ t know who

wrote the words, but I ' ve always liked them as a reminder that the future can be anything we want it to be. We are all in the position of the farmers. If we plant a good seed, we reap a good harvest. If we plant nothing at all, we harvest nothing at all. We are young. " How to spend the youth? " It is a meaningful question. To answer it, first I have to ask " what do you understand by the word youth? " Youth is not a time of life, it ' s a state of mind.

Let ' s show our right palms. We can see three lines that show how our hand and life is. I wondered whether we could see our future in this way. Well, let ' s make a fist. Where is our future? Where is our love, career, and life? Tell me, it is in our hands. It is held in our lives.

Don ' t cry because it is over, smile because it happened. From the past, we ' ve learnt that the life is tough, but we are tougher. Failure doesn ' t mean you don ' t have it, it does mean you should do it in a different way. Failure doesn ' t mean you should give up, it does mean you must try harder.

The past has gone. Nothing we do will change it. But the future is in front of us. Believe that what we give to the world, the world will give to us. And from now on, let ' s be the owners of ourselves, and speak out " We are the world, we are the future. "
